Celebrating Build Arizona Awards

Achen-Gardner Construction is honored to have won four Build Arizona Awards from the Arizona Chapter Associated General Contractors of America. Members of the project teams accepted the awards at the Annual Dinner and Build Arizona Awards Banquet on Friday, January 28th. Following are the award-winning projects:

Luke 303 North Sewer Trunk Main / DBB / EPCOR

Twin Peaks-Blue Bonnet Gravity Sewer / CMAR / Pima County

Roadway Improvements to Lincoln, Mockingbird, and Indian Bend / CMAR / Town of Paradise Valley

Arrowhead Ranch Water Reclamation Facility WAS Line Rehabilitation / CMAR / City of Glendale

GOT PLANT WORK?

Our reputation for high-quality, best-value service extends to our work on water and wastewater facilities. Visit [achen.com/facilities](https://www.achen.com/facilities) to see what we can do for you and contact us to learn how we can use our existing JOC contracts to meet your needs.

Improving Water Infrastructure Resiliency

We recently replaced a section of 36" bar-wrapped concrete cylinder pipe along Western Powerline Trail as part of our Town of Gilbert **Zone 1 Transmission Main Assessment and Rehabilitation CMAR** project. This water transmission main is critical to the Town's Zone 1 water system, which includes much of the northwest part of the Town and the vibrant Heritage District. CHECK YOUR PIPES:

Do you have a critical pipeline that needs work? Contact us to learn how Achen-Gardner's specialized pipeline assessment and rehabilitation team can help.

Raising the Roof

Crews recently removed the roof of the Arrowhead Water Production Facility (WPF) as part of our City of Chandler **Arrowhead WPF Rehab and Pecos SWTP Surge System DBB** project. [Visit our website for more project information and photos.](#)

Night Owls in Peoria

Achen-Gardner crews are working at night to install a pressure reducing valve vault and water line in Peoria as part of our **Wet Utility Pipeline Projects JOC**. [Visit our website for more project information and photos.](#)

New Team Member

Achen-Gardner is proud to announce the addition of Chris Robbins as Project Engineer. Chris joins the team to provide management and field support services on a variety of projects.
