NEWS

Paradise Valley Project Complete

Achen-Gardner recently completed work on our **Roadway Improvements to Lincoln, Mockingbird, and Indian Bend CMAR** project for the Town of Paradise Valley. This project included roadway and wet utility improvements adjacent to the Ritz-Carlton development. Total quantities included more than 30,000 SY of pavement and 8,100 LF of wet utilities.

Litchfield Square

We recently hosted a groundbreaking ceremony for our **Litchfield Square Infrastructure Improvements CMAR** project which will create a new city center for the City of Litchfield Park. Our scope includes demolition, removals, mass grading, installation of more than 9,200 LF of wet utilities, new roadways, and four roundabouts. [Visit our website for more project information and photos.](#)

Drought Mitigation Pipeline Project

We are working on the **Zone 3D and 4A Improvements: Segment 1 Water Transmission Main CMAR** project for the City of Phoenix. This work includes the installation of more than 7,200 LF of new 66" welded steel water transmission main from a booster pump station at the 24th Street Water Treatment Plant to 32nd Street and Shea Boulevard. GOT PLANT WORK?

Our reputation for high-quality, best-value service extends to our work on water and wastewater facilities. Visit [achen.com/facilities](https://www.achen.com/facilities) to see what we can do for you and contact us to learn how we can use our existing JOC contracts to meet your needs.

New Faces

We are proud to announce two additions to the Achen-Gardner family:

Lynne Stocker (Project Manager) holds an Environmental Systems Engineering degree from ASU and brings 15 years of industry experience. Her expertise further increases Achen-Gardner's ability to install, upgrade, and modify water and wastewater treatment and conveyance systems.

Paul Ekstrom (Senior Estimator) brings his 35 years of local industry experience and strong background in complex roadway and wet utility projects. A former Project Manager at Achen-Gardner for many years, Paul's new role will allow him to focus on providing exceptional cost estimating and best-value approaches on our projects.

Award-Winning Projects

Two of Achen-Gardner's projects were selected as Projects of the Year by the Arizona Chapter American Public Works Association (AZ APWA):

Our **Twin Peaks-Blue Bonnet Road Gravity Sewer Design-Build** project for Pima County Regional Wastewater Reclamation Department (RWRD) was selected as the Project of the Year in the Environment, \$5M But Less Than \$25M category. [Visit our website for more project information.](#)

Our **Valencia Road Manhole Rehabilitation** project for Pima County RWRD was selected as the Project of the Year in the Disaster or Emergency Construction/Repair, Less than \$5M category. [Visit our website for more project information.](#)

These projects were featured in the awards video on the AZ APWA Conference website. [Visit www.azapwaconference.com](https://www.azapwaconference.com) to watch the video.

New Projects

We have recently been selected for the following projects:

- **Old Town Phase II Improvements CMAR / City of Avondale**
- **2021-25 Wastewater Conveyance JOC / Pima County**
- **Chandler Heights Utility Relocations CMAR / City of Chandler**

We look forward to working on these exciting projects.
